

USE THE VIRGIN PULSE PLATFORM TO REACH YOUR WELLNESS GOALS

As part of the State's Rewards for Wellness program, you can complete activities through Virgin Pulse and earn wellness credits—up to \$100 per year, plus an additional \$50 for completing a health assessment. These credits will be applied automatically to your bi-weekly medical plan premium (your co-share) on February 20, 2021, and March 5, 2021.*

Do healthy things. Earn points. Get rewarded.

- Earn points through activities, healthy habit tracking, challenges, and more
- The number of points you earn determines your activity level (2/3/4)
- Your activity level determines your quarterly incentive (maximum annual incentive is \$100)

Your points will reset to zero at the start of every quarter

	Level 1	Level 2	Level 3	Level 4
Points Earned	500	5,000	10,000	15,000
Incentive	—	\$25	\$50	\$100
